Rocky was a dog who always knew  
 how to bark. She wanted to learn how to howl.  
 But when she tried to howl she could not. She wanted to howl  
 for her dog friend BJ but she could not if she did  
 the way to BJ's house. Rocky went to find BJ. On  
 was tan and white like Rocky saw a flower the flower  
 BJ will like it. I will give this to BJ says Rocky.

Pocky walked on a path that led  
to BTS's house with the flower  
As she was walking she tried to  
howl. She saw BTS's house on a  
short hill she tried hard for  
she let out a short and small howl.  
Pocky was happy she could howl.  
As Pocky was walking up the  
hill she saw a patch of flowers

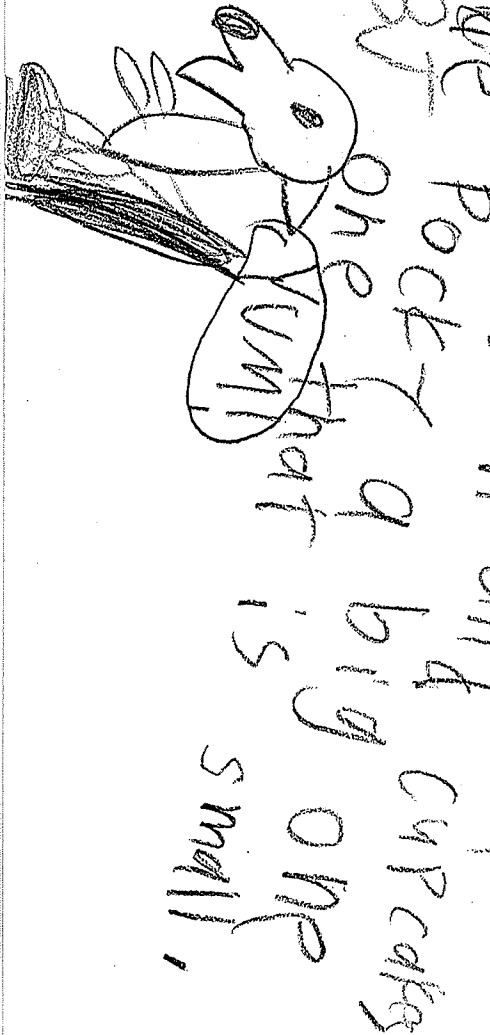

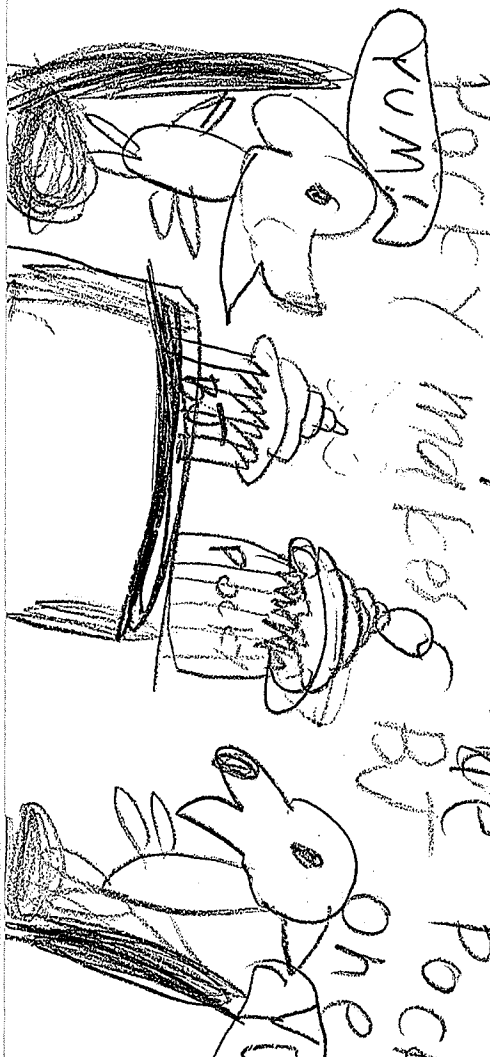

she had a basket with her so  
she picked them and put them  
in the basket. She saw a dark path  
up to BJ's house. she went up the  
trail to BJ's home. she  
also did a little show to  
remember how to do it.

When she reached BJ's home she  
knocked and rang the doorbell. She got  
her howl ready. She was so happy to  
let BJ hear her howl. When BJ came  
loudest howl she had ever done the longest  
end of the howl she had ever done  
flowers. BJ loved the tin and white one.

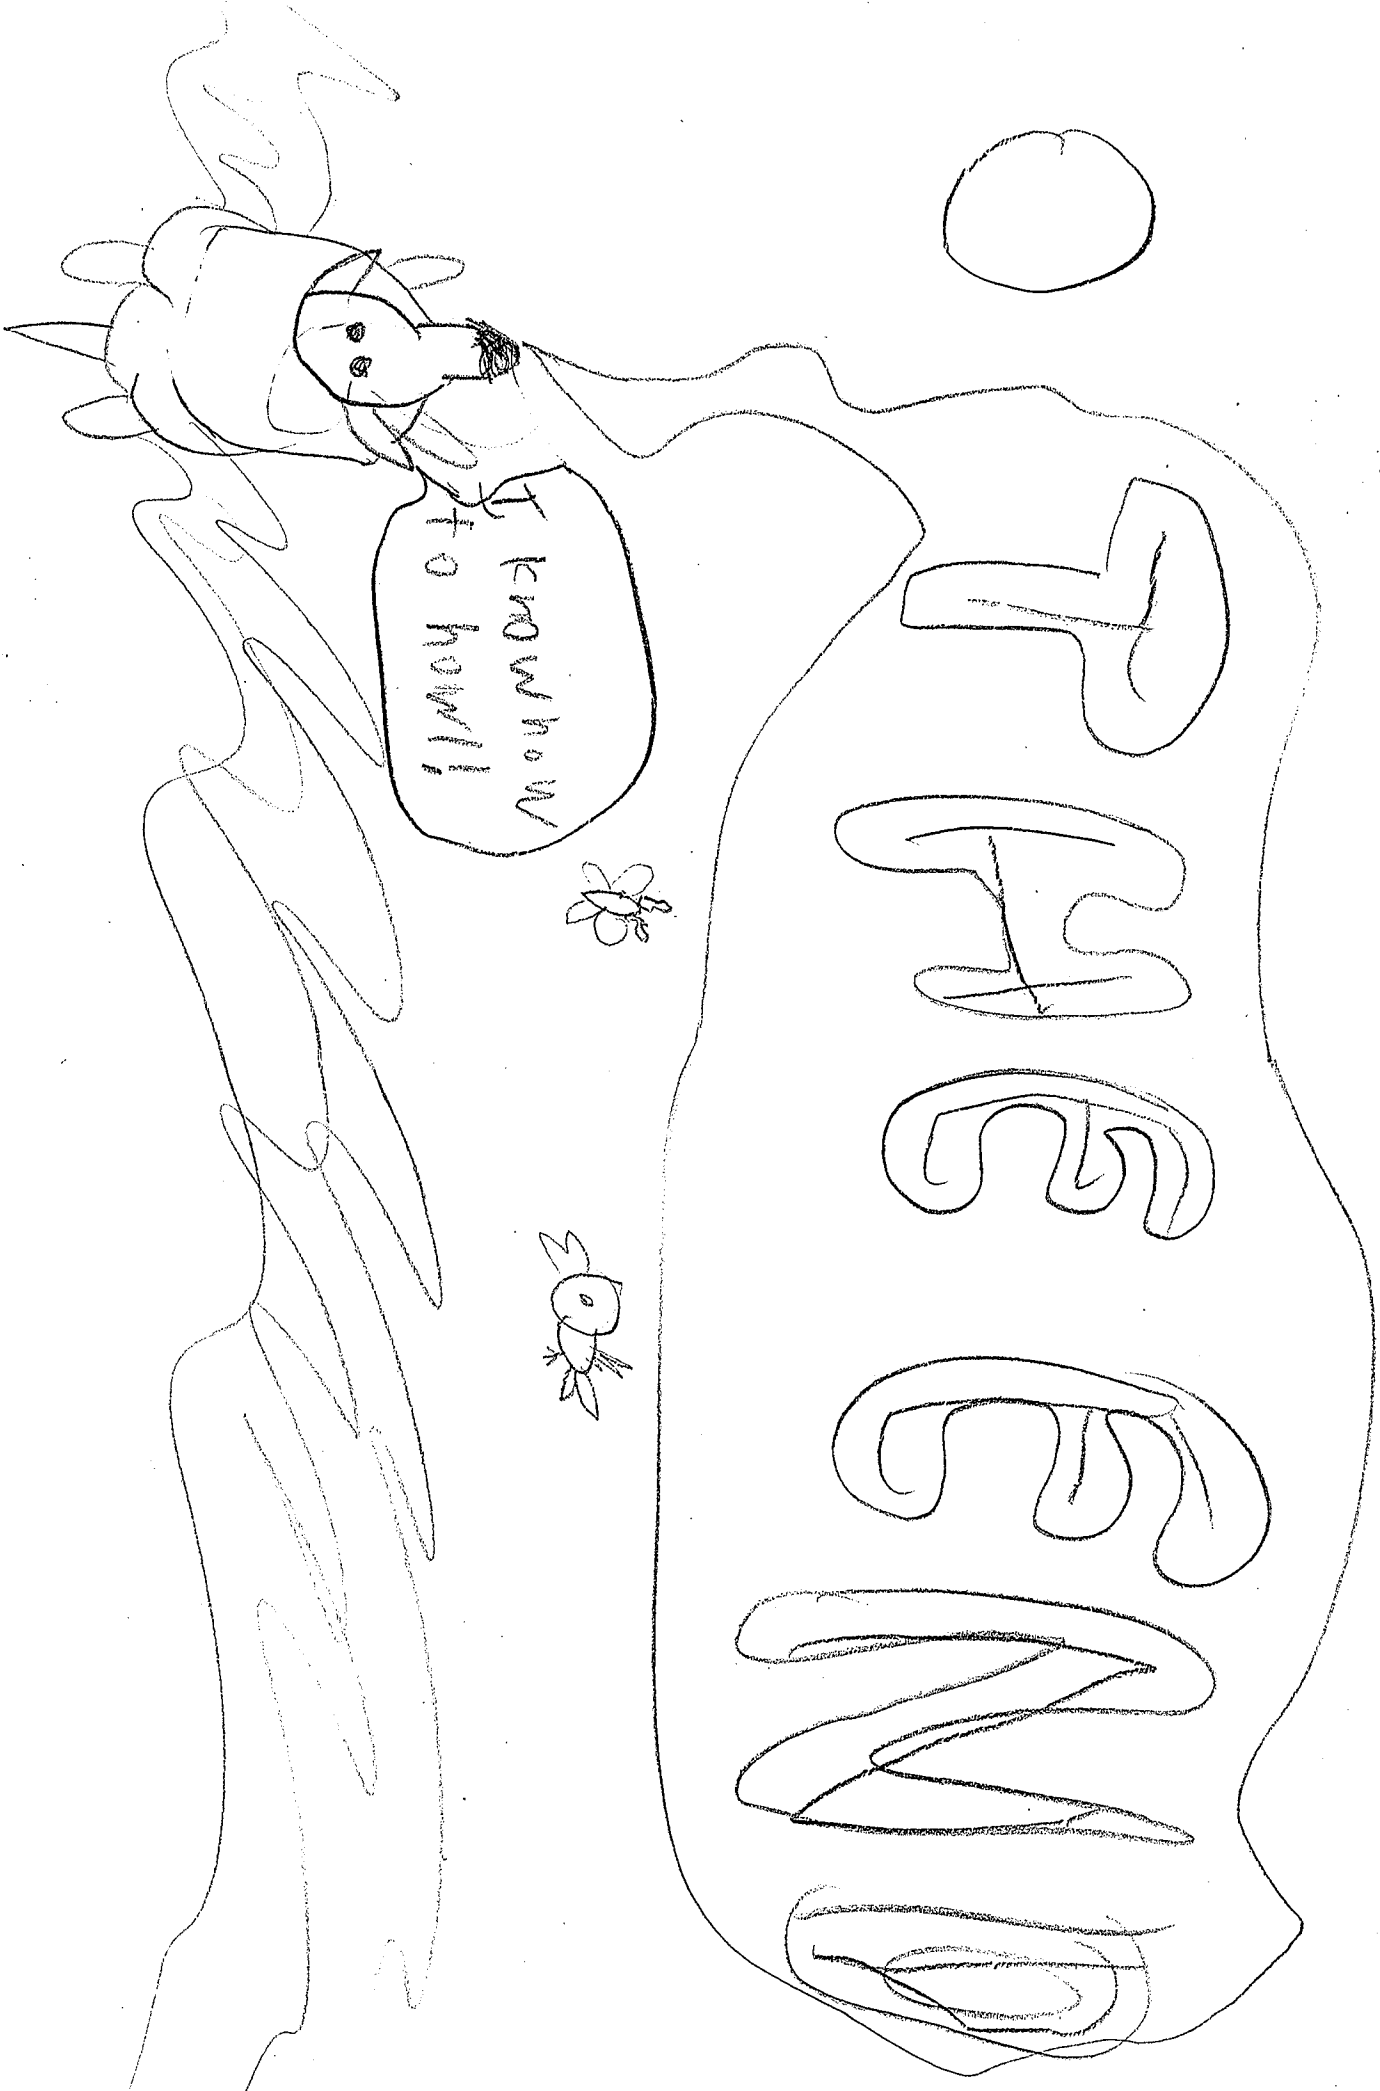

BJ asked Pocky why she wanted to howl.  
 Pocky said she did not know, BJ said I  
 think if is a very good way to show  
 your voice. Pocky went home late to show  
 see if was twelve o'clock, she did not  
 sleep the next day. She had a dream  
 about BJ making cupcakes. I hope my  
 dream comes true. BJ is saying Pocky  
 to BJ's house. BJ is on the couch and  
 are is the oven! BJ made Pocky and  
 and Pocky makes BJ one that is small,  
 yum! yum!

The Cu Pakes are Yummy!  
Pocky and BT are covered with Yummy  
Frosting. Lick lick lick Yum Yum Yum  
Yum, Yummy Yummy Yummy  
I am clean now says Pocky. Me
